FSO PROGRAMME 2026
Unless specified, events begin at 10.30 a.m

27 September Tubney Wood. Cancelled

4 October Greys Court, NT. Joint survey with Thames Valley Fungus Group. Leader: CJH Recorders: CJH and TVFG. National Trust site, so car park charge for non-NT members. NT entry fee is for house and gardens only; the woods and fields we shall concentrate on are free. Start time probably 10 a.m., as consistent with TVFG practice (tbc).

10 October Tackley Common. Leader: KC: Recorder: JW

11 October UK Fungus Day, Harcourt Arboretum. Table display from 1-4 p.m. Talk 1.15. Sign-up children's art session 2.00, CJH.

Committee team, but no survey. Display specimens by 12.30, please.

18 October Radley Large Wood. Leader: JH Recorder: JW

21 October College Wood, Gallowstree Common. Joint survey with TVFG. Leader: CJH. Recorder: JH. TBC. Numbers may need to be limited, and we may need to walk to the site from where car parking is convenient, so please let the Secretary know beforehand if you would like to come so that we can consider car-sharing. Although this is a joint survey, start time will be 10.30, consistent with FSO practice.

25 October Enstone. Leader: CJH Recorder: JH. TBC.

1 November Bladon Heath Leader: KC Recorder: tbc.

8 November Shirburn Hill Leader: JW. Recorder: CC

15 November Aston Rowant plus microscopy session.
Leader and Recorder: JW.

22 November Aston Rowant AGM and short survey.
Leader and Recorder: JW.

JW = Judy Webb, CJH = Caroline Jackson-Houlston, KC =
Keith Cohen, JH = Julia Huggins, CC = Chris Crocker

**Updates and meeting instructions will be circulated via
email nearer the time of the surveys.**

Information about site locations is provided here as available at the time of publication. Further details of locations and directions to sites will be publicised by the Secretary in advance of the events, both with postcodes and Ordnance Survey map references where possible.

Non-members are welcome but should contact the Secretary beforehand (julia.huggins@btinternet.com) for all surveys other than the public event at the Harcourt Arboretum.

Visitors should note that the function of the FSO is to make scientific records. As a group, we do not collect for the pot, and would ask visitors to meetings not to do so either. We stipulate that this is the case when requesting permissions to visit sites.

In the event of bad weather, contact the Secretary (07879 066876), or CJH for Grey's Court or College Wood (01865 761110).
